

Eurocities DATTA 5th and final Workshop

Lyon, 30-31 March, 2011

EuroCities DATTA final workshop
Laboratoire d'Economie des Transports
ISH, 14 avenue Berthelot, 69007 Lyon

Provisional Workshop Program

	<i>Wednesday 30th March</i>
from 9h30	Welcome coffee
10h	Welcome Overview of the Eurocities-DATTA project (Charles Raux, LET) Introduction to the workshop
10h15-12h15	Session “Transport supply and activity-travel behaviour: spatial aspects”
	Chair: tba
(short presentation)	Charles Raux, LET, Université de Lyon (with Tai-Yu Ma, Iragaël Joly, Vincent Kaufmann, Eric Cornelis and Nicolas Ovtracht) “Travel and activity time allocation: An empirical comparison between eight cities in Europe” (published in <i>Transport Policy</i>)
	Tobias Kuhnimhof, Institute for Mobility Research, Munich “Mobility Cultures in Megacities – a comparative cluster analysis of 41 cities worldwide”
	Ghislaine Deymier, Guillaume Pouyanne, F. Gaschet, IATU, Université Bordeaux 3 “The cost of urban mobility on Bordeaux metropolitan area”
12h15-13h30	<i>Lunch</i>
13h30-17h30	Keynote speaker: Harry Timmermans, Eindhoven University of Technology “Progress in Developing Dynamic Activity-Based Models”
	Session “Multiday travel-activity data and dynamics in behaviour”
	Chair: tba
	Charles Raux and Tai-Yu Ma, LET, Université de Lyon, et al “Multiday variability in travel and activity behaviour over a week”
	<i>Break</i>
	Tobias Kuhnimhof, Institute for Mobility Research, Munich “From Longitudinal Data to Microsimulation of Travel under Budget Constraints”
	Tai-Yu Ma, LET, Université de Lyon (with Jean-Patrick Lebacque, IFSTTAR) “A cross-entropy based multiagent approach for multimodal activity chain modelling and simulation”
(short presentation)	Charles Raux, LET, Université de Lyon, et al “Accessibility for duration models: a research perspective”
19h30	Dinner

	<i>Thursday 31st March</i>
8h45-12h30	Keynote speaker: Dick Ettema, Faculty of Geosciences, Utrecht University “Activities, travel and well-being: theory and measurement”
	Session “Tradeoffs around travel time and distance”
	Chair: tba
	Gil Viry, Université de Genève and LaSUR, EPFL “High mobilities in Europe”
(short presentation)	Stéphanie Vincent, LaSUR, EPFL “Determinants of long-distance commuting”
	<i>Break</i>
	Iragaël Joly, GAEL, Université de Grenoble “Travel time price: a survey”
	Vincent Kaufmann, Stéphanie Vincent, LaSUR, EPFL “High mobilities and reversible mobilities: a research agenda”
12h30	<i>Lunch and end</i>

Attendance to the workshop is by invitation only. Please contact Charles Raux (charles.raux@let.ish-lyon.cnrs.fr)

Venue: ISH (Institut des Sciences de l’Homme), 14 avenue Berthelot, 69007 Lyon, tramway T2 (Centre Berthelot)
