

Transport Survey Methods: Keeping up with a Changing World

Patrick Bonnel, Martin Lee-Gosselin, Johanna Zmud and Jean-Loup Madre
(Editors)

TABLE OF CONTENTS

Front matter

Preface

I: Introduction

1. Keeping Up with a Changing World: Challenges in the Design of Transport Survey Methods
Patrick Bonnel, Martin Lee-Gosselin, Jean-Loup Madre, and Johanna Zmud
2. The Travel Survey Toolkit: Where to From Here?
Peter Stopher

II: Sustainability and Traveller Adaptation

3. What Is So Special about Surveys Designed to Investigate the Environmental Sustainability of Travel Behaviour?
Peter Bonsall
4. Evolving Behaviour in the Context of Interest in Environmental Sustainability: Synthesis of a Workshop
Mark Bradley
5. Myths, (Mis)perceptions and Reality in Measuring Voluntary Behaviour Change
Werner Brög and Ian Ker
6. Surveys for Behavioural Experiments: Synthesis of a Workshop
Peter Jones, Regine Gerike and Giorgia Servente

III: Global Social Issues

7. Surveying Hard to Reach Groups
Benoit Riandey and Martine Quaglia
8. The Challenges of Surveying 'Hard to Reach' Groups: Synthesis of a Workshop
Roger Behrens, Mark Freedman and Nancy McGuckin
9. Emerging Methods and Technologies for Tracking Physical Activity in the Built Environment
Sean Doherty
10. Physical Activity in the Built Environment: Synthesis of a Workshop
Kelly Clifton
11. Acquiring Data on Travel Behaviour During Emergencies and Exceptional Events
Earl J. Baker
12. Capturing Travel Behaviour during Exceptional Events: Synthesis of a Workshop
Chester Wilmot and Matthieu de Lapparant
13. Tourist Flows and Inflows: On Measuring Instruments and the Geomathematics of Flows
Christophe Terrier
14. Surveys of Tourists and Transients: Synthesis of a Workshop
Carlos Arce and Alan Pisarski

IV: Freight and Transit Planning

15. How to Improve the Capture of Urban Goods Movement Data?
Danièle Patier and Jean-Louis Routhier
16. Surveys on Urban Freight Transport: Synthesis of a Workshop
Matthew Roorda, Arnim H. Meyburg, and Michael Browne
17. The Collection of Long Distance Road Freight Data in Europe
Alan McKinnon and Jacques Leonardi
18. The Acquisition of Long Distance Freight Data: Synthesis of a Workshop
Kara Kockelman, Michael Browne and Jacques Leonardi

19. Data for Public Transit Planning, Marketing and Model Development
Gerd Sammer
20. Data for Public Transit Planning, Marketing and Model Development: Synthesis of a Workshop
Orlando Strambi, Martin Trépanier and Linda Cherrington

V: Technology Applications

21. Collecting and Processing Data from Mobile Technologies
Peter Stopher
22. Mobile Technologies: Synthesis of a Workshop
Jean Wolf
23. What is Different About Non-response in GPS-aided Surveys?
Stacey Bricka
24. Non-Response Challenges in GPS-based Surveys: Synthesis of a Workshop
Heather Contrino
25. Electronic Instrument Design and User Interfaces for Activity Based Modeling
Harry Timmermans and Eiji Hato
26. Electronic Instrument Design: User Interfaces: Synthesis of a Workshop
Elaine Murakami, Sharon O'Connor and Jane Gould
27. Visualize This: Opportunities and Challenges for the Travel Survey Community
Catherine Lawson
28. Data Visualization Techniques: Synthesis of a Workshop
Michael Manore and Stephan Krygsman

VI: Emerging/Persistent Survey Issues and Data Harmonisation

29. On Large Scale On-Going Mobility Surveys: The State of Practice
Liz Ampt, Juan de Dios Ortuzar and Tony Richardson
30. Moving from Cross-Sectional to Continuous Surveying: Synthesis of a Workshop
Dirk Zumkeller and Peter Ottmann
31. Moving towards continuous collection of large scale mobility surveys: are there compelling reasons? A discussant response
Tim Raimond
32. Vehicle-Based Surveys: toward more Accurate and Reliable Data Collection Methods
Dominika Kalinowska and Jean-Loup Madre
33. Vehicle-Based Surveys: Synthesis of a Workshop
Klaas van Zyl, Dominika Kalinowska, Jean-Loup Madre and Bob Leore
34. Survey Mode Integration and Data Fusion: Methods and Challenges
Caroline Bayart, Patrick Bonnel and Catherine Morency
35. Best Practices in Data Fusion: Synthesis of a Workshop
John Polak and Eric Cornelis
36. Lessons from an Overview of national transport surveys, from Working Group 3 of COST355: "Changing behavior towards a more sustainable transport system"
Jimmy Armoogum, Kay Axhausen and Jean-Loup Madre

Index
